INDEX TO VOLUME XXX

A

Abscesses, tuberculous, metastatic, 169
Acidosis, renal, hyperchloraemic, effect of intramuscular streptomycin in (*abstract*), 301
Adrenal cortex, lipoidosis of, form of, in infant, 538
—— —— of stillborn and newborn infants, effect of disease and injury on, 141
African infants, gangrene of extremities in, 184
Africans, mongolism in, 310
ÅKERRÉN, Y.: Early diagnosis and early therapy in congenital cretinism, 254
Alkaline phosphatase deficiency, rickets with, 265
ALLISON, A. C.: Haemolytic anaemia with poikilocytosis in children (*abstract*), 299
Amino-acids and glucose, familial tubular absorption defect of, 160
Amino-aciduria in galactosaemia, 150
Anaemia, early, of prematurity, 203
——, Fanconi's, value of splenectomy in, 439
——, haemolytic, with poikilocytosis in children (*abstract*), 299
Anaemias of childhood, use of cobalt in, 121
ANDERSEN, H: Some changes in mesenchymal tissues in hypothyroidism in children (*abstract*), 300
Anthropometric study of Edinburgh schoolchildren. Part I. Methods, data and assessment of maturity, 328; Part II. Comments on results, 432
Anus, congenital deformities of, 42
APLEY, J., CORNER, B. D., and GIBSON, T. C.: Paroxysmal tachycardia in infancy, 517
Artane in cerebral palsy, controlled investigation of, 251
ASTLEY, R.: Cine-radiography in paediatrics (*abstract*), 299
Atherosclerosis and progeria, 410
Atrial septal defects, surgical treatment of (*abstract*), 300

B

B.C.G., tuberculous meningitis in two brothers vaccinated with, 260
BAUGH, C. D., and O'DONOGHUE, R. F.: Teratoma of tonsil causing respiratory obstruction in newborn, 396
Bile peritonitis in infancy, 174
Births, multiple, protein catabolism and renal function in first two days of life in, 405
BLACK, J., and WAGNER, J.: Surgical and biochemical study of case of bilateral hydronephrosis and horseshoe kidney, 62
Blood cells, red, in human foetus, 102
——, cord, 117
—— formation in infancy, Part IV. Early anaemia of prematurity, 203
—— pressure in infants, determination by flush method, 127
—— transfusion, exchange, potassium levels in, 513
BODIAN, M., *see* SCHLESINGER, B., LUDER, J., and BODIAN, M.
BOOKS RECEIVED: BROCK, J., *ed.* Biologische Daten für den Kinderarzt, 2nd ed., 1954, 552; COMROE, J. H., jun., *et al.*, The lung, 1955, 552; FABER, H. K.: The pathogenesis of poliomyelitis, 1955, 552; GIBBENS, J.: The care of young babies, 1955, 552; Va Jornadas Argentinas de Pediatria, 1954, 552; KJELLBERG, S.
